Handy Hint

One of the biggest killers of birds, finches, parrots, budgies, love birds or canaries is intestinal worms and parasites. Worm treatments are available at your local PET SHOP or AVAIRIAN VET.

Just follow the instructions marked on the bottle. Every 11th week change the drinking water. Use smaller vessels EVERY DAY during the time you are treating your birds (for 7 days straight).

Repeat this every 11th week.

MARK YOUR WORMING DATES ON THE ABOVE CALANDER
